ESE 2011

The European Society Of Esophagology Annual Scientific Meeting Newcastle upon Tyne 24-26th November 2011

We are delighted to announce the forthcoming ESE 2011 meeting in Newcastle upon Tyne. The ESE is the leading Upper GI society in Europe and is instrumental in European oesophageal scientific studies and clinical decision making. This meeting is suitable for physicians and surgeons alike with an interest in oesophageal disease. Registration will shortly be available on the website and there are trainee rates.

- Proffered presentations are welcome from trainees and an ESE travelling bursary will be offered to the best submission. An abstract submission form will shortly come available on the website.
- Accommodation is available at the conference hotel at a special conference rate on a 'first come, first served' basis.
- A preliminary programme will be posted on the website in the near future.
- HIGHLIGHTS: Trainee session, Keynote speakers, trade exhibition, specialist sponsored sessions, Conference dinner at Copthorne hotel on the Newcastle Quayside, Q&A sessions with leading experts, varied scientific programme...
